IN THE SPECIFICATION:

On page 4 please replace the paragraph beginning on line 5 as follows:

FIG. ~~1a~~ 1 is a schematic circuit diagram of a prior art RFID tag;

On page 5 please replace the two paragraphs beginning on line 13 as follows:

FIG. ~~8a~~ 8b is a flow chart showing firmware for encoding in a microcontroller for controlling transmission timing from each sensor transponder of a network of sensor transponders;

FIG. ~~8a~~ 8c is a schematic block diagram of multiple addressible transponders all being powered by the same reader and all also being powered from the same receiver coil;
